The Election

P. Baker & Dr. Campbell Nominated

The political campaign is warming up, both in this constituency and throughout the province, on the day of voting draws near.

Saturday afternoon George P. Smith, minister of education, addressed a meeting in the Liberal interests in the Empress Theatre and received a good reception. Mr. W. R. of Edmonton, also spoke. Mr. R. and Dr. Campbell had also a good meeting in Rimbey the same evening. The Liberals are putting forth all their energy on behalf of their candidate, Dr. Campbell, with the result that excitement grows.

While P. Baker, the U.F.A. candidate, is still confined to bed and will not be able to take part in the contest, the farmers are not behind, however. A large meeting of the executive was held in town on Friday afternoon, when organization was taken up. H. W. Wood, president, U.F.A., will speak in the Empress Theatre, Ponoka on Friday at 8:30 p.m., while other speakers will be out in the several districts.

The farmer movement has taken on a surprising amount of activity throughout the province. Premier Stewart is the only cabinet minister to get an acclamation, while about forty United Farmers are in the field. The line-up is about as follows—Government, 38; Conservatives, 12; United Farmers, 41; Labor, 19; Independents, 31.

Whatever the result, it is certain that the farmers will have a big say in the next legislature, if not in power. All the constituencies are being keenly contested, and many reports go to show the farmers will return their candidates by large majorities.

Politics takes place on Monday and everybody should record their vote.

Nominations

Nominations for this constituency took place on Monday, when the following were placed in nomination—Percival Baker, by E. J. Bullock, J. Beck, W. Cott, and J. P. Baker—Agent, J. P. Baker.

Dr. W. A. Campbell, T. McKeivay, A. Reid, W. E. Turner, and D. R. Morgan—Agent, W. E. Turner.

CANADIAN FRUITS BEAT CALIFORNIAN

Ottawa, July 9.—Canadian canned fruits have in general a better flavor than California fruits through the appearance of the latter, no doubt due to climatic reasons and methods of packing is superior, it is stated in the forthcoming bulletin of the department of trade and commerce, by Major Gordon B. Johnson, Canada's trade commissioner. He says further that Canada packers pay too little attention to the important matter of grading both in size and quality. For this reason alone, he asserts a large amount of business which might be Canadian is allowed to go to California.

CERVENY, WARD
On Saturday, July 10th, at the Baptist Parsonage, the marriage of Miss Edith Margaret Ward and Mr. Julius Earl Cerveny was solemnized by Rev. E. G. Turner.

ELECTION NOTICE

I have received the names of Wm. E. Turner and J. P. Baker as the agents of Dr. W. A. Campbell and P. Baker, at the forthcoming provincial election, Ponoka constituency.
J. W. O'BRIEN, Returning Officer.

Asker

The annual picnic was a great success. The heavy showers at intervals during the week preceded seemed to leave over, but from dawn and country alike, in a sunny holiday mood. At noon the crowd began to come in from all directions, and kept on gathering till a late hour in the afternoon. The program started at 2:45, the performers forming in a mass on the platform and sang the local rally song. Next, president R. Vold called on our old friend, Mrs. Geo. E. Koch, of Wetaskiwin, for a speech. Following this C. C. Reed of Eureka, was called. Mr. Reid gave his listeners an interesting address on what is at present the all-absorbing topic, the forthcoming election, advising all that to achieve success, all must get behind and push in one direction. If the U.F.A. meant to get anywhere, they must get down and scratch for it. Mr. Reid's speech was well received. Immediately after this the children, young ladies and ladies and some of the young matrons assembled on the green surrounding the platform and gave the May-pole dance, also a May-play, composed of spirited songs and folk dancing. The performance was well given and well received, the audience and striking. The committee in charge were sorry that so many of the picnic guests were not in time to see the performance, but some of the young men taking part were due to play ball at the time set for the game.

The ball game was next played off by Brookston and Asker. Brookston coming off victorious by a good lead. The sports committee then ran off the remainder of noon, jumping, etc., amongst which was a football game. The M.H.U. orchestra gave several numbers which were much appreciated. The day's doings were brought to a close by a dance in the evening, when the hall was crowded. The officers of the U.F.A. & W. wish to thank all the friends from Ponoka and surrounding districts for their kind patronage and all assistance in making the picnic a success.

O. C. Ryndberg and Mr. and Mrs. B. Hoybak spent Sunday with Mr. and Mrs. A. Woyen at their home, near Lacombe.

Mrs. A. Hraford and daughter, Irene, also Evelyn and Marjorie Brown, returned home after visiting at Edmonton for a week.

Mrs. Osa and family visited over the week-end with Mr. and Mrs. W. Ferries at Springdale.

Mrs. T. Hanson and children, of Calgary are guests at the Halmston home.

Miss Wettré is spending a few weeks with the home folks.

Mrs. B. Dunsen and children returned home to Edmonton last Friday after a month's visit with relatives here.

Mr. and Mrs. Ray Erickson returned home from Yakima, Wash., last week, where they spent their honeymoon. Mrs. Erickson was formerly Miss L. Hraford of Lethbridge.

P. Baker's Candidature

An Open Letter to Ponoka and Rimbey

Fellow Citizens:

As a candidate for election on the 18th, and desirous of securing from you whatever support or organized effort not warrant, I desire to make the following statement:

"That if I am elected it is my plan to call a meeting of the Board of Trade, town councils and school boards, and any other public bodies that may desire to meet with us. The object of said meeting will be to ascertain to what extent existing legislation as it pertains to towns and villages takes care of the interests of the people of said towns and villages."

I do not claim to be able, if elected, to give the towns such a sympathetic representation in the Legislature as would an actual townsmen, not as we have said repeatedly it is not possible for a townsmen to give the country that same personal sympathetic touch as may be done by the man in actual rural life. The further object of this meeting will be that I may act intelligently and with the knowledge that I have the support of those whose immediate interests are at stake in proposing amendments or in supporting new legislation.

If elected, and this course meets with your approval, I will be glad to have the secretaries of the various bodies mentioned, both in the Town of Ponoka and the Village of Rimbey, fix the date and place of a meeting for each town.

Respectfully yours,

PERCIVAL BAKER,

U.F.A. Candidate for Election

Local News.

Raymond Ferguson has gone on a visit to the States.

Mrs. Jerry Donovan has gone to visit with her son in Nelson, B.C.

Miss Anna Nielsen left on Monday to visit with friends in Spokane, Wash.

Mr. and Mrs. Henry Sayers, of Earlville, were in town visiting with friends over the week-end.

Mr. and Mrs. H. H. Kyler left for Oregon on Monday. They may make their home there.

Miss Nellie DeWilde, of Edmonton, was home over the week-end.

Rev. P. Baker is still suffering from his regrettable accident, and will not be able to take part in the election work.

Mrs. Geo. Laycock and daughter, Hazel, are visiting with relatives in North Dakota.

Geo. Laycock commenced using his new potatoes on Monday. They are nice and surprisingly large. This surely is a record for these parts.

Mr. and Mrs. Chas. Hemeyer, of Blomont, have been spending a few days visiting with their daughter in Edmonton.

Miss Heloise Woods, of Air-drie, who has been visiting with Mrs. Lyle Russell, left for her home on Saturday.

Mrs. M. G. Neff and family were visiting with friends in Calgary last week.

H. W. Wood, president of the U.P.A., will speak in the Empire Theater on Friday evening at 8:30.

Nurse Clara M. Gill left on Tuesday for a three weeks' trip to Vancouver and Victoria. Her many friends will wish her a pleasant holiday.

Mrs. Thos. McCauley, of Toronto, is visiting her sister, Mrs. A. Wiancko, of Earlville.

Miss Irene Armstrong, of Air-drie, is spending a few days with her aunt, Mrs. John Laycock.

Mr. and Mrs. Neil Nelson and family spent a few days with friends at Rochau Sands, Buffalo Lake.

Miss Nina Goodman, of Sedgewick, is visiting in town with friends for a few days.

Miss Florence Hutchings, of Detroit, Mich., who has been spending a pleasant holiday with her sister, Mrs. A. Wiancko, of Earlville, left on Monday for the south, and expects to visit friends in Arizona before returning home.

A marked improvement has taken place in crop conditions during the past few days. Heavy showers and bright sunshine has brought the crops along splendidly, and in this immediate vicinity there should be a great crop to harvest.

The Lacombe Wool Growers' Association will accept wool from July 28th to 29th.

According to census returns there is a population of 552 at Earlville, and patients at the hospital for the insane.

ANDERSON.—On Tuesday, July 5th, to Mr. and Mrs. Iver Anderson, a daughter.

JONES.—On Thursday, July 7th, to Mr. and Mrs. J. R. Jones, a daughter.

Matinee on Saturday, July 16, at 2:30, in Empire Theatre. A good programme for old and young. Half of proceeds to go to the Girls' Club.

Gentleman's rain coat lost between Joe, Reid's farm and town. Finder please leave at Herald office.

The annual Indian pow-wow took place in town last week, and as usual proved a drawing card. A great improvement was noticeable in the dancing. Scotch reels and Irish jigs, especially drew forth praise, while the ladies were exceedingly graceful in the castor oil glide. The costumes were very picturesque.

Jake Beck had four registered bulls fail to pass the tubercular test at the recent Calgary bull sale, and at being allowed to sell them, had to bring them home at great expense. Two have been butchered and he still retains two. Last week he had a government inspector go out and examine the two, with the result that they were given a clean bill—absolutely healthy. Many of our farmers do not believe in this testing business, and after this experience there surely must be something wrong. Mr. Beck is to be congratulated on the outcome. He has a very fine herd of short-horns, and it would have been regrettable to have them placed under a ban.

Freedom Of Trade Returning To Russia Through British Influence

London.—At the annual meeting of the Russo-Asiatic Consolidated Company, considerable light was thrown upon the recent political and commercial developments in Russia.

Leslie Urquhart, chairman, declared it was no secret that the British trade agreement with the Soviet Government had a profoundly moderating influence on the Soviet policy, and had led the compelling force at the Communist congress in March, which induced the Soviet Government to issue a decree re-establishing the freedom of local trade.

Since the date of the decree, many small industries have been de-

stroyed and returned to their owners, who are allowed to trade freely with their products. Forcible corn requisitioning has given place to corn taxation. The law now permits open market between peasants and towns, and admits the principle of private property.

Many extremists have been dismissed from the Soviet Government, to make room for moderate men, and others have in practice renounced their communist ideas. Gradual elimination of economic restraints marks the beginning of the re-establishment of favorable conditions for capitalist development in Russia.

NEWS SERVICE FROM BRITAIN IS STRONGLY CRITICIZED BY PREMIERS

London.—Sharp criticisms of the paucity and slowness of communications by steamship, airplane, telegraph and wireless between Great Britain and the Dominions were voiced at a session of the Imperial conference, at which a decision was reached to appoint a committee to consider the development of communications throughout the Empire.

The official text of the speeches delivered at the meeting were expressions of disapproval of world distribution of news through the United States.

Premier Hughes, of Australia, made an unfavorable comparison between the British wireless service and the German installation that were in operation before the war, as well as those at present existing in the United States. He said the United

States was conducting wireless services to Great Britain, France, Norway, Japan and Germany, and was arranging to cover other fields. He declared that the United States was radiating in every direction, not only United States news, but mixed contents of world events, and insisted the transmission of news from the United States, which he said, formed its opinion of the British Empire, was a serious matter.

He contended that if Great Britain and the Dominions failed to increase wireless telegraph and wireless telephone facilities in the immediate future, they would fall behind other countries.

Premier Meighen, of Canada, said that while Canada had less cause to complain than Australia and New Zealand, her exchange of news with the mother land was unsatisfactory.

Drought Afflicts Wide Area

Conditions Especially Alarming in Quebec, Ontario and Maritime Provinces.

Ottawa.—Conditions are rapidly becoming alarming in Quebec, Ontario, and as far as the Maritime provinces, owing to the drought, the agricultural department states. Pasture is drying up and hay is scarce in the point where the cattle industry is already severely threatened, it is said. In Manitoba and Saskatchewan, as well as in Northern Alberta, the prospects for the prairie provinces are very satisfactory. Southern Alberta has had rain, but the department says, but it has come, as far as a considerable area is concerned, too late. Conditions there, however, are much improved generally.

A Farmer's Book

Drury, Morrison and Orter U. F. O. Leaders Will Collaborate.

Toronto.—One of the Christmas books this year will be an autobiography of the United Farmers of Ontario. The book is being written by J. J. Morrison, who has been assigned to write the political aspect. W. L. Smith will write the early history of the movement. Col. J. S. Fraser will tell of farmers' experience in running a newspaper. W. C. Good will reveal the economic reasons for the U. F. O. and Mrs. George Brodie will write of what the United Farm Women of Ontario have accomplished, and Mr. and Mrs. M. H. Staples, the U. F. O. director of education, will tell the volume and prophesy what will happen to the movement in the future.

Black Rust Menace

Damage to Crops Is Feared By Government Officials.

Winnipeg.—Reports that have been reaching here from different parts of Manitoba and Saskatchewan that black rust has been detected on the growing wheat are now substantiated by Government officials, says a Winnipeg newspaper.

The newspaper says that several samples received from a number of points in the west have proved conclusively that the infection is widespread.

Damage to the crops depends on the weather during the next week or two, but the fact that black rust has made its appearance at this early date is considered serious, but no alarming, the paper continues.

Report Oil Find On Vancouver Island.

Victoria.—The existence of oil on Quintana Sound at the north end of Vancouver Island, was reported by B. J. Carson, custom officer at Qualicum, who has arrived here. Samples of oil shale have been sent to Ottawa for Government analysis, Mr. Carson stated.

Amundsen Will Sail For North Pole

New York.—Captain Amundsen is going to try and drift across to the North Pole. Arriving here after his rescue from the Siberian coast, the Norwegian explorer was quick to say that he would sail his damaged ship Minkah and go north again next summer to freeze into the polar flow and start his Arctic drift, which he expects will take five years.

Economic Loss To Britain

Seventy Million Days Were Lost

Over the Coal Strike.

London.—Seventy million working days lost to the nation and £18,000,000 of extra expenditure incurred by the Government, are the official estimates computed in connection with the economic situation caused by the coal strike.

The defense force army of recruits cost £20,000,000 and the railways claim £9,000,000 against the State for May 1930.

The emphasis of the State officers is demonstrated by the surprise announcement in the House of Commons that a year and a half of losses of treasury bonds at 97 and bearing interest at 5½ per cent. is urgently needed to meet obligations maturing in the next few months.

Three hundred million pounds of this has to be dealt with instead of the £100 million originally budgeted for. The new bonds will run for eight years, thus giving time a financial cushion against a more serious opportunity.

Farmer Leaders' Tour

Waiting to Learn What Dates Can Be Arranged With Hon. T. A. C. Crerar.

Toronto.—The tour of the Big Three farmer leaders, Mr. J. J. Morrison, Premier Drury and J. J. Morrison, have been waiting to learn what dates could be arranged with H. O. T. Crerar.

Today word was received at U. F. O. headquarters to the effect that Mr. Crerar could not promise any definite time yet, but that he still was making efforts to attend the Canadian Council of Agriculture in Toronto, which opens on July 26. If he is able to do so, the speaking tour will probably be made late in July or early in August.

Reclaim Land in B.C.

Work Will Be Carried On By British Columbia and Idaho Governments.

Victoria.—Reclamation of 100,000 acres of agricultural land in the Kootenay Falls, one-third of which is in British Columbia and the balance in Idaho, was discussed at a conference here between Premier Hughes, U. F. O. president, and Governor Baker, of Idaho, and W. G. Swenson, of the Idaho reclamation commission.

It is expected that reclamation work will be carried on jointly by the British Columbia and Idaho governments in the Kootenay Falls.

Strength Of Empire

Tolerance Is Secret of British Success, Rabbi Hertz States.

Vancouver.—Speaking before the Vancouver Club here, Rev. Rabbi H. Hertz, chief rabbi of the United Hebrew Congregation of the British Empire, declared that the late and long life of Sir Herbert Samuel, who was secretary of the British Empire, was a result of his tolerance, which he said, was the secret of British success.

He explained, he meant the broad spirit of tolerance that obtained throughout the empire in general and in Canada in particular; by longitude, the habit of taking an age-long view of things.

"The British Empire," declared Hertz, "is not built up on machine guns."

The effect of the British system upon the races that make up the empire, he illustrated by the story of the Jewish race, which are 50,000,000 in number.

Irish Rail Still Missing

Police Believe Place of Detention Is Chicago Daily.

Belfast.—Although numbers of the police and military are scouring the country in search of the Earl of Bessborough, who was kidnapped at Bannock, County Kerry, June 21, when his residence, Castle Bernard, was burned, no trace has so far been found of him.

It is believed here that the place of his detention is changed daily, and that he is being held as a hostage for the safety of an undisclosed person.

Sea Thrill At Calgary Fair.

Calgary.—Eight thousand people, the largest gathering of the present Calgary exhibition, were given a sea thrill during the afternoon when a Mooney speeder, driven by Charles Larson, threw a wheel when travelling close to 60 miles an hour.

The car ploughed through the dirt for 30 feet, while Larson turned a few somersaults, but fortunately escaped unhurt.

Airships For Forest

Two "Blimps" Will Be Used in the Lake of the Woods District.

Camp Borden, Ont.—Two airships of the blimp type were shipped recently to be used by the Canadian Lumber Company in the Lake of the Woods district. Under the direction of Lieut. Col. Mackay, D.S.O., formerly of the naval air service, they will be used for forest patrol work, as well as aerial photography. They are being loaned by the air board so that reports on their capabilities may be made by the company.

Canada To Share

In Reparations

London.—The conference of Prime Ministers are grappling with the problem of reparations. Under the direction of the Supreme Allied Council, the Empire requires twenty-two per cent. of whatever Germany pays, fifty-five per cent. going to France and the balance to Belgium and Italy and the other allied nations. The task now confronting the conference is to fix a basis upon which the amount to be collected by the Empire shall be apportioned among its different parts.

This is a big problem, involves no little difficulty. It involved difficult because a basis that might work advantageously for one country might prove unfair to another. Thus, for example, if loss of shipping were to be made the basis, the number of ships owned by the Empire, and Italy and the other allied nations, would get practically everything and the dominions nothing.

It is understood that it is not probable that the amounts will be determined by expenditure and the number of casualties. It is believed, however, that the amounts will be determined by the expenditure and the number of casualties.

Flax Factory For West

Winnipeg.—Winning is likely to be selected as a site of a \$5,000,000 factory for the spinning and twisting of flax, according to R. J. Hutchinson, chief of the flax section of the Federal Department of Agriculture, who was here enroute to Ottawa after visiting the principal flax growing centres in the west. Choice of location is between Calgary and Winnipeg, Mr. Hutchinson said. The erection of the factory will be begun early this fall.

German Officer Acquitted

Frenchman Shot in Cold Blood By

Leipzig.—Dr. Schmidt, president of the Supreme Court, in announcing the acquittal of Lieut. Gen. Karl Stenger, of the charge of having ordered the execution of wounded French soldiers and prisoners, and the conviction of Major Bruno Cerny on the same charge, declared that an experienced officer like Stenger should have known General Stenger was incapable of giving such orders. Cerny was sentenced to two years' imprisonment, and was deprived of his rank and the German uniform in the future.

Don't have been much worse. The little mouse, was not brutal, but club was, and I have often interfered when the latter was used. Fortunately my own mouse was not killed, and I was not high-spirited that a dog was necessary. Sired by a Scotch dog, found their mother's husky, they all look as if they were not to be taken, and were the only first-class train I was ever lucky enough to own. The husky, however, was always necessary when the father in the doghouse, and was always necessary when the father in the doghouse, and was always necessary when the father in the doghouse.

London.—A trace has been declared between Britain and Ireland. Preparations are already under way to end hostilities in the north, but have actively engaged in the Irish cause and the Crown forces.

Developments leading to the trace were divided between London and Dublin. Eamon de Valera, Irish Republican leader, and his Nationalist associates returned their conference with the Southern Unionists, and Earl Maitland, a Unionist, who recently conferred with the British Prime Minister, read a letter from Mr. Lloyd George to the effect that hostilities must cease if negotiations looking to peace were successful.

General Sir Neville Macready, Irish military commander in Ireland, appeared at the de Valera conference and it was not until some hours later that the announcement was made at the Prime Minister's official residence in London that in accordance with the Prime Minister's offer and Mr. de Valera's reply, arrangements were going forward for the cessation of hostilities.

The King has been a leading figure in the developments up to the present, while General Smuts, the South African Premier, has acted as the pivot on which the peace movement has turned. There is hope in London that the peace movement will be successful in Dublin, and that peace will come out of the forces which are now engaged in seeking a settlement.

Events moved swiftly both in London and Dublin. Not only has Mr. de Valera, contrary to the general expectation, consented to come to London to discuss the peace movement, but the basis on which a settlement of the Irish question might be reached by the Prime Minister and General Smuts, the Ulster premier, will be discussed.

This has given reasonable assurance that the original conference to which the Prime Minister invited the Irish Republican leader and Sir James Craig, the Ulster premier, will be held.

Buckhorn

Crops are coming along fine after the rain of the past week, and unless something unexpected happens, farmers are now looking forward to a good harvest.

Mr Stevens has now left Buckhorn after his visit to the Eley family.

Paul Preston has just returned home after spending the past week in Calgary, taking in the fair.

Mrs Carl Eley spent Saturday afternoon at Broadview Ranch.

Mr and Mrs G. K. Betts arrived home from their visit to Oregon on Sunday.

Mrs Lavelly and her two children are visiting with her sister, Mrs Rowe, for a few weeks.

Miss Muriel Collins and Miss Damant visited Rimby on Saturday.

Ray Strauss returned from Edmonton last Wednesday.

In spite of the stormy weather road work has progressed during the past week. Everybody is glad to see the roads being improved.

School was closed Thursday and Friday on account of Miss Damant being on the sick list.

Hall Ogilvie is getting on fine with his breaking, and has a large piece broken now.

Mrs Borg was a visitor at the home of Mrs H. B. Ogilvie last Tuesday.

Remember the box social at Crystal Springs school on the 15th. This is the last warning, so be sure you don't forget.

JUDICIAL SALE OF FARM PROPERTY

Pursuant to Judgment and Final Order for Sale, there will be sold with the approval of a Judge, by Henry Taylor, Auctioneer, at Charles L. Parnum's Real Estate Office, in the Town of Ponoka, Province of Alberta, at the hour of Two o'clock in the afternoon, on Saturday, the 17th day of July, 1921, the following lands and premises, namely:—The South-East Quarter of Section Seventeen (17) Township Forty-Four (44) and Range Twenty-Six (26) West of the Fourth (4) Meridian, in the Province of Alberta, excepting therefrom all coal.

The purchaser is informed of the following particulars of the said lands, but these particulars are only given for the convenience of, and not by way of representation to, intending purchasers, who should verify them themselves.

The said land is situated about eight (8) miles North West of Ponoka, and there is a good road leading to it. About Fifteen (15) acres of the said Quarter Section have been broken, but has gone back, otherwise there are no improvements of any value. About One Hundred and Twenty Acres (120) could be brought under cultivation. The land is level and fairly free from brush.

The purchaser is to pay ten per cent of the purchase price to the Vendor's Solicitors at the time of the sale, and the balance, without interest, within sixty days into cash. In all other respects the terms and conditions of sale will be the standing conditions of the Supreme Court of Alberta. Further particulars can be had from—

Province of Alberta Co-operative Credit Societies

The Provincial Government has provided legislation designed to encourage the co-operation of farmers by adequate credit, longer term loans, lower interest rates, cash prices for purchases, saving of time and labour, and an improved community spirit.

Increased Farm Credit depends upon—

- (1) Greater reliability of loans
- (2) Certainty of repayment
- (3) Adequate powers of security

The Alberta Co-operative Credit Act,

in its amended form, grants exceptional powers in the matter of taking necessary security, and thus repayment can be safely provided for.

Organization of a Society requires—

- I. Fifteen signatures to a petition to incorporate.

II. Thirty members in good standing to start operations.

III. Each member to subscribe for \$100 stock on which he pays twenty per cent. in cash and twenty per cent. each year thereafter.

IV. Affairs controlled by Board of Directors.

V. Limited liability.

Guarantees of Municipal District and Government are given in accordance with terms of Act.
